2. CORE DESCRIPTION

The Department of Corrections (DOC) must satisfy the constitutional obligation to incarcerate offenders in a manner which ensures that their fundamental human rights are not violated. The DOC must also satisfy the statutory obligation, per 217.240 RSMo., to ensure offenders are provided adequate food and clothing. In order to fulfill these obligations, the department requires adequate Institutional Expense and Equipment funding to procure supplies, equipment and services to support an estimated average daily population of 33,223 offenders in FY19.

The Division of Adult Institutions Expense and Equipment funding supports the following divisional appropriations:

- Offender Clothing (offender clothing, shoes, bedding, linens, mattresses, etc.)
- Officer Clothing (staff uniforms)
- Vehicle Replacement (purchase of offender transportation vehicles)
- Maintenance and Repair (maintenance and repair of plumbing, electrical, building systems, HVAC systems, elevators, fire alarms/sprinklers, maintenance equipment/tools, roads/parking lots/security systems, boilers, water treatment chemicals and supplies, etc.)
- Institutional Community Purchases (bulk fuel for offender transportation needs, offender toilet paper, fleet fees, postage, offender autopsies/burials/cremations, other miscellaneous division-wide expenses, etc.)
- Institutional Expense and Equipment (vehicle maintenance/repairs; grounds maintenance/repairs; kitchen, laundry, security system and other institutional equipment maintenance/purchases/repairs; janitorial supplies; paper products; office equipment/maintenance/supplies; security equipment including security cameras and DVRs; trash services; etc.)

The Transition Center of St. Louis (TCSTL) (formerly St. Louis Community Release Center) is a 350-bed community-based facility that assists male offenders with reintegration to the community from prison or provides stabilization while they remain assigned under community supervision. The transition center provides the department with critical transitional services for offenders supervised in the metropolitan St. Louis area. The Parole Board stipulates offenders for assignment to the center based on their need for more structured supervision/assistance during the release process. The TCSTL also provides a means to assess offenders under Parole Board supervision who are at risk for revocation. Finally, the facility may be used as a more intense supervision strategy for probationers at risk for revocation by the courts.

2. CORE DESCRIPTION

Per 217.255 RSMo. and 217.260 RSMo., the Department of Corrections (DOC) must provide monthly compensation to each offender for work or services performed and for satisfactory performance in academic or vocational education classes. The majority of the Wage and Discharge appropriation is utilized for this purpose as each offender is compensated at least \$7.50 per month. This compensation assists the department in satisfying its constitutional obligation to ensure offenders have the financial means to purchase legal materials and basic hygiene supplies.

Per 217.285 RSMo. each offender paroled or discharged from the department may, depending on need, be furnished appropriate civilian clothing and up to two hundred dollars. For many years the DOC has been unable to provide any funds for the approximately 18,000 offenders released each year. This greatly impacts their ability to successfully reenter and remain in their communities, which in turn negatively impacts public safety. The funding allotted for discharge expenses is currently being utilized to provide departing indigent offenders with transportation to the community to which they are being released.

1b. What does this program do?

The Transition Center of St. Louis (TCSTL) (formerly St. Louis Community Release Center) is a 350-bed community-based facility that assists male offenders with reintegration to the community from prison or provides stabilization while they remain assigned under community supervision. The transition center provides the department with critical transitional services for offenders supervised in the metropolitan St. Louis area. The Parole Board stipulates offenders for assignment to the center based on their need for more structured supervision/assistance during the release process. The TCSTL also provides a means to assess offenders under Parole Board supervision who are at risk for revocation. Finally, the facility may be used as a more intense supervision strategy for probationers at risk for revocation by the courts.

1b. What does this program do?

The Missouri Department of Corrections operates 21 adult correctional institutions in communities throughout the state. These 21 institutions incarcerate close to 33,000 offenders at any given time. The Division of Adult Institutions employs over 8,000 staff in its correctional institutions. The staff work in many different functional areas performing duties related to custody and security, case management, offender programming, food preparation, institutional maintenance, offender recreation, fiscal management, personnel services, offender record keeping, storekeeping/warehouse services, and mailroom services. 2. CORE DESCRIPTION

The Women's Eastern Reception and Diagnostic Correctional Center (WERDCC) is a maximum/medium/minimum custody level female institution located in Vandalia, Missouri, with an operating capacity of 1,560 beds but has a current population of 1,930 offenders. The institution houses reception and diagnostic offenders; general population offenders; offenders participating in short, intermediate and long-term substance abuse treatment; juvenile offenders (under the age of eighteen); long-term administrative segregation offenders; offenders participating in the Missouri Sex Offender Program; and a Transitional Care Unit. It is currently the state's only reception and diagnostic institution for female offenders. The offenders assigned to this institution participate in case management planning to address their criminogenic risk and need factors, thus improving their likelihood of becoming productive citizens.

WERDCC offers the following types of programming and services which focus on addressing criminogenic factors: cognitive restructuring, faith-based, mental health, parenting, C.H.A.M.P.S Service and Rescue Dog Training Program, restorative justice, substance use treatment, academic education, sex offender treatment, vocational education (building trades, business technology, certified nursing assistant, cosmetology and professional gardening), job training and supervised work release. In addition, to aid the offenders in developing marketable skills, the Missouri Vocational Enterprises operates a clothing factory at WERDCC.

This institution operates a Transitional Housing Unit (THU) where offenders who are near release are assigned and participate in programming/services to assist with their transition back into the community.

2. CORE DESCRIPTION

The Potosi Correctional Center (PCC) is a maximum/medium/minimum custody level male institution located near Mineral Point, Missouri, with an operating capacity of 902 beds. PCC offers the following programming and services which focus on addressing criminogenic factors: cognitive restructuring, faith-based, mental health, parenting, Puppies for Parole, restorative justice, substance use support, volunteer academic education, job training, and supervised work release. In addition, to aid the offenders in developing marketable skills, the Missouri Vocational Enterprises operates a tube bending factory at PCC.

CRCC offers the following programming and services which focus on addressing criminogenic factors: cognitive restructuring, faith-based, mental health, parenting, Puppies for Parole, restorative justice, volunteer academic education, and job training. In addition, to aid the offenders in developing marketable skills, the Missouri Vocational Enterprises operates a consumable products factory at CRCC.

2. CORE DESCRIPTION

The South Central Correctional Center (SCCC) is a maximum/medium/minimum custody level male institution located in Licking, Missouri, with an operating capacity of 1,628 beds. The institution houses general population offenders; protective custody offenders; long-term administrative segregation offenders; a Transitional Care Unit; and a small cadre of minimum security offenders to fill work release and institutional job positions, which require them to work outside the perimeter fence. The offenders assigned to this institution participate in case management planning to address their criminogenic risk and need factors, thus improving their likelihood of becoming productive citizens. SCCC offers the following programming and services which focus on addressing criminogenic factors: cognitive restructuring, faith-based, mental health, parenting, Puppies for Parole, restorative justice, substance use, academic education, job training, and supervised work release. In addition, to aid the offenders in developing marketable skills, the Missouri Vocational Enterprises operates a furniture restoration factory at SCCC.

2. CORE DESCRIPTION

The Southeast Correctional Center (SECC) is a maximum/medium/minimum custody level male institution located in Charleston, Missouri, with an operating capacity of 1,622 beds. The institution houses general population offenders; protective custody offenders; long-term administrative segregation offenders; a Transitional Care Unit; an Enhanced Care Unit; an Intensive Therapeutic Community; and a small cadre of minimum security offenders to fill work release and institutional job positions, which require them to work outside the perimeter fence. The offenders at this institution participate in case management planning to address their criminogenic risk and need factors, thus improving their likelihood of becoming productive citizens. SECC offers the following programming and services which focus on addressing criminogenic factors: cognitive restructuring, faith-based, mental health, parenting, Puppies for Parole, restorative justice, substance use, job training, and supervised work release. In addition, to aid the offenders in developing marketable skills, the Missouri Vocational Enterprises operates a furniture factory at SECC.
